6. If a woman and her seven children, of which the first four are by her original husband, but he left her for another woman. She then had three children by his brother to whom she was never married and he then left her. She is now living with a single man who has never been married, but he is providing a house and food for them. She has never been divorced from her original husband. Now some people in the assembly have witnessed to them and they come to church, want to accept the Lord and get baptized. What would you do?
