FORWORD

In this book we will examine many cases where the use of control through intimidation with fear of death from "the Beast" that Daniel spoke about. We will connect Daniel's account with the Book of Revelation coming to the close of the Millennium of Christ's rule and see what part we play.

God gives a vision to a person who will then endeavour to interpret it, to deliver a prophetic message to all who will listen.

The Prophet will see points on the mountain tops from his insight and perspective, looking forward to a point somewhere in the future, and he or she may possibly think it's a straight line, but it is not. Prophets follow certain rules when recording their prophecy, therefore as you study these points in this book you may develop a deeper understanding of how to identify a true prophecy so that you will not be beguiled.

This book deals with connecting the points on the mountain tops found in the Bible to give an overall understanding of prophecy and then by joining points in history and some scientific information, we are able to see God had revealed to mankind His intention beforehand.

It is our simple aim with this book to give you a set of tools to see the mountain tops, but we recommend to you, do not live there, as in most cases the food is in the valley. We pray and hope that as you read this book it will help to bring a sense of assurance to you knowing that many prophecies have been fulfilled.
